MAYARDAU AOP Bordeaux

The Bordeaux region is located on the Atlantic side of the left and right rivers of the Gironde. On 119,000 ha and more than 60 appellations, the Bordeaux region represents the largest French AOP vineyard.

Divided into five sub-regions: Médoc, Graves, Entre-deux-Mers, Right Bank and Sauternes, the region benefiting from a temperate oceanic climate. Its soils are rather clay-limestone, sands and gravel.

The main reds in the region are Merlot, Cabernet Sauvignon and Cabernet Franc.

MAYARDAU AOP Bordeaux

Varieties:

Merlot, Cabernet Sauvignon, Cabernet Franc

Red

Tasting notes:

Ruby colored with copper highlights. On the nose, spicy and wild aromas are present. On the palate, the wine presents a good structure with smooth tannins. An expressive wine with a fresh attack.

Sommelier's suggestion:

Accompanies perfectly red meat, grilled meat and different local cheeses.

To be served: 16-18 ° C.
